Home Inventory List for Insurance

Free printable template from collectioninventory.app

How to use this list

1. Do one room at a time. Open every closet, cabinet and drawer.
2. Write one line for each item, or for each group of similar items (for example, "Winter coats ×3").
3. Take a photo of each item. For electronics and appliances, also take a photo of the serial number label.
4. Write the replacement value: the price to buy the same item new today.
5. Keep a copy outside your home, for example a scan in cloud storage.
